President's Message – John Berrington

The June meeting will be the last until September 27th as we take our customary summer break. However, most if not all our seasonal outdoor activities, which are now in full swing despite the sometimes uncooperative weather, as well as many indoor activities, will continue uninterrupted. And, following on from the recent outing to the BAPS Shri Swaminarayan Hindu Temple, the Lake Muskoka cruise, our Field Day at Tomahawk and the annual Golf Event at Shelburne, we still have The Melville Boys at Kings Wharf Theatre to look forward to in July. BVP members have every opportunity to enjoy an active and varied summer at home! Now is a good time to show our appreciation to all the Activity Coordinators, Social Convenors and other volunteers without whose efforts none of this would be possible. Thank you all!

Please note, abridged versions of the newsletter will be published in July and August. Please make sure you read them to keep abreast of activities.

Have a great summer!

I would like to sincerely thank all of our volunteers who re-signed up to continue helping with this important group. And welcome to our new members – we not only need your input but also your knowledge of our community. a difficult period. Please don't hesitate to call our monthly contacts or the Management Team.

Our sincere condolences go to Terry and family*

There is lots of room for you to add your name to the list; just give us a call. We will be emailing final information shortly. And don't forget the St. George's Anglican Church plant sale (wonderful plant material from Master Gardener Ken Phipps) on the morning of June 25th.

On Thursday July 21st we will be taking a bus south to Nottawasaga Daylilies, just west of Avening off the Airport Rd. for a tour and talk by the owners. Plant material will be for sale and there will be lots of room on the bus. We will then have lunch in Creemore, followed by a tour of local gardens. It is important that you let us know ASAP if you plan to join us on the 21st, since the total cost per person (bus, tour & lunch) will depend upon how many of you sign up. Meditation Group – Lorraine Lowe

Our Monday morning Meditation Group will conclude after the June 27 meeting. Lorraine plans to retreat to her island home on the other shore of the bay for July and August for an extended peaceful time with nature, blue skies and blue water. We wish you all a restorative and healing summer holiday. You may want to explore the internet websites listed under "mindfulness meditation." A recommend safe website has been set up by Rinpoche

Sakyong Mipham: www.shambhalasun.com Group members, please note, we'll see you AFTER Labour Day, for the first meeting of the fall season on Monday, September 12, at 9:00 am at Lorraine's house.

Scrabble Group – Jennifer Baker

All was ready for May Scrabble at Wayne's house, the tea, coffee, cheese, crackers and chocolate cookies. Then as we organized ourselves to play, we realized we only had one board for 12 people. So a phone call was made and a neighbour saved the day. June scrabble was hosted by Bruce & Janet Leigh. We are arranging July scrabble to be held in Bayview Park.

Singles' Fare – Gloria Thompson

There were some creative mains for the vegetarian theme and the vegetable assignment. Our final gathering is being hosted at Sally Tuck's property "in the hills" for the BBQ. The date is June 26th at 6p.m. We take a break now until September and enjoy the summer.

Stitch & Bitch - Sheila Churchill

The group has decided that effective July we will meet on the THIRD Monday of the month, rather than the first one as we do now. And yes, we will keep on stitching (and bitching) through the summer!

Target Shooting – Al & Sharon Black

The weather forecast called for rain and overcast skies, but 34 shooters were determined to come out and have some fun and win a prize at the annual Collingwood Rod & Gun Club (CR&GC) "Balloon Shoot".

Some of the gun club's best shooters were competing but so were Paul Green, George Wolf, Peter Zahradnik and Al Black from BV Probus. Stella Zahradnik came out to cheer us on. Most of us from Probus were part of the top 12 shooters that went on to compete in the finals. The event included a rotisserie chicken lunch and fun was had by all.

On June 18th the CR&GC will be hosting a .22 rifle shoot and anyone from Probus can attend. For details about the competition click here http://www.collingwoodrodandgunclub.ca/arcade_rifle_shoot.htm
